ADDITIONAL INFORMATION

DIGITAL SKILLS

My Digital Skills

Node.js, Express, TypeScript, React js, Redux, AWS, Docker, Javascript, Vue.js, PHP, JAVA, Laravel, Spring Boot, OctoberCMS, Git, Jira, Livewire, JQuery, HTML, CSS

PROJECTS

Child Protection Blutooth Module. Developed a Bluetooth module and mobile application from Java language to detect when the Bluetooth module is approximately 100 meters away from the mobile phone. If the Bluetooth module is too far away from the mobile phone, it will ring.
We presented this device to the ENVENTION AND INNOVATION EXHIBITION-2015 organized by the faculty of science at the University of Ruhuna under the electronic category.
Tech Stack
- Java, C++, Android

Minor Offense Management System. Completed a web-based project related to the Police Department of Sri Lanka as my final year project at the University.
Tech Stack
- PHP, Laravel, Javascript, jQuery, CSS

EXTRA-CURRICULAR ACTIVITIES

Sports

- Vice-Captain of Badminton team Faculty of Science (2016).
- Captain of Badminton team Faculty of Science (2017).
- Member of University Road Race Team.
- Member of University Badminton pool.
